

In 'Layettes' somewhat 'shady' substitutions are made for parts of five across and five down answers. The across substitutions display one half of the theme; those in the downs the other. All clues are normal. Chambers (1988) is recommended. Unchecked letters in affected parts of grid entries give TYKE CRUMB.

#### ACROSS

- 1 Part of article is devoured by churchman, being about heaven (10)
- 11 Some attraction in dismissing Latin passage in old writing? (5)
- 12 Metal-worker once struck hard (5)
