It's Not Unusual by Phi

10 entries (all words) are clued without definitions. They would have something in common were a word added to them, as one normally-clued answer exemplifies. This additional word (which solvers should give with their solutions) appears to be appropriate, though purists might disagree!

#### ACROSS

- 1 Argument recalled by monarch (7)
- 6 Wet sound made by rain shower entering Lake? On the contrary (5)
- 10 Sleeping society girl, one rolling over (4)
- 11 Church leads discussion after casting the first stone? (5)
- 12 Rake about for a bet, possibly (9)
- 13 Cowgirl's 500, perhaps (4)
