The wordplay in each clue references an extra letter not part of the word that is the grid entry. These extra letters spell out a quotation (minus its first two words) that is represented by the three unclued down answers. The quotation is, perhaps surprisingly (given its ready applicability), not in any standard reference.

ACROSS

- 1 Guy set about nonsense with the Spanish castanets (7)
- 6 Major film – that is, a picture (4)
- 9 More of Tudor scrapping is unacceptable (10, 3 words)
