The Year Continues by Kcit

Each clue's wordplay includes a letter not entered in the grid. These letters in order spell out an abruptly truncated sequence showing how THE YEAR CONTINUES. Solvers must highlight the two entries preceding the sequence, the one that completes it, and rearrange the letters in the shaded squares to give the event that follows, which must be written below the grid.

ACROSS

- 1 Minister with power to seal off street? It's wrong (9)
- 11 Poverty not once to decline in recession (4)
- 13 Gold has completely taken over hall (4)
